

PROFESSIONAL SUMMARY

Motivated and detail-oriented Information Science Engineering student with hands-on experience in full-stack web development, Android application development, and AI-based projects. Skilled in MERN stack, Python, and problem-solving with a strong interest in software development and emerging technologies. Seeking an **entry-level Software Developer or IT role** where I can contribute technical skills and continue learning in a professional environment.

KEY SKILLS

- **Programming Languages:** C, Python, Java
- **Web Technologies:** HTML, CSS, JavaScript, React
- **Databases:** MySQL, MongoDB

INTERNSHIP EXPERIENCE

- **Android Application Development Intern – GenAI** [*MindMatrix* | Feb 2026 – May 2026]
 - Developed an Android application named **Namma Haadi** with a user-friendly interface and real-time functionality.
 - Worked on Android application development using **Generative AI (GenAI)** concepts and modern development practices.
 - Collaborated with mentors and team members for feature implementation, debugging, and application enhancement.

ACADEMIC PROJECTS

- **Student Registration Form** [*Technologies: MongoDB, Express.js, React.js, Node.js (MERN Stack)*]
 - Developed a full-stack **Student Registration System** using the **MERN stack** for efficient student data management.
 - Built a responsive React frontend with real-time validation and integrated a secure MongoDB backend using REST APIs.
- **PPG-Based Respiration Monitoring using CycleGAN** [*Technologies: Python, TensorFlow/Keras, CycleGAN, NumPy, SciPy*]
 - Developed an AI-based respiration monitoring system using **CycleGAN** to generate respiratory signals from PPG inputs.
 - Built preprocessing and model training pipelines using **Python, NumPy, SciPy, and TensorFlow/Keras**.

EDUCATION

Bachelor of Engineering in Information Science <i>Vishweshwaraiah Technological University</i>	2022 – 2026 CGPA: 7.60
P.U.C (PCMB) <i>RK Vision PU College, Chintamani</i>	2020 – 2022 Percentage: 72%
SSLC <i>Prashanthi High School, Chelur</i>	2019-2020 Percentage: 90.08%

CERTIFICATIONS

- **Introduction to MERN Stack** – Simplilearn
- **Programming with Java** – Infosys Springboard
- **Introduction to Artificial Intelligence** – Infosys Springboard
